PERFIL PROFESIONAL

Product Designer con mas de 4 anos de experiencia disenando y optimizando productos digitales con impacto directo en negocio. Actualmente en ILUNION Hotels (32 hoteles), liderando de forma autonoma el canal directo de reservas: incremente la conversion del funnel de **3,36% a 6,5%** (Q1 2026) y contribui a que el canal directo alcanzase el **13% de la venta total** de la compania. Trabajo desde el diagnostico basado en datos reales (Adobe Analytics, Microsoft Clarity) hasta la propuesta defendida ante comite de direccion, sin managers intermediarios. Experiencia en eCommerce turistico, EdTech y herramientas CRM/B2B.

EXPERIENCIA PROFESIONAL

ILUNION Hotels | Turismo y eCommerce

Sep 2024 - Actualidad

Canal directo de reservas | 32 hoteles adaptados

Product Designer | Canal Directo & CRO

Disenadora unica con ownership end-to-end del canal digital de mayor rentabilidad para la compania.

- > **Conversion del funnel de reservas: de 3,36% a 6,5% (Q1 2026), captando mas del 50% de conversiones del club UNICOS (loyalty).**
- > **Canal directo al 13% de la venta total de la compania (2024-2025), participacion activa en CRO, diseno y arquitectura del canal.**
- > Rediseño estrategico del motor de reservas: diagnostico de desalineacion entre arquitectura de negocio e intencion de usuario; reposicionamiento above-the-fold para convertir trafico de alta intencion.
- > Analisis de comportamiento con Adobe Analytics y Microsoft Clarity para diagnosticar fricciones y priorizar experimentos por impacto en reservas.
- > Propuestas defendidas directamente en comite de direccion sin managers intermediarios. Colaboracion cross-funcional con Marketing, Comercial, BI y Desarrollo.

CEF - Centro de Estudios Financieros | EdTech

Jul - Sep 2024

Plataforma academica B2B | Departamento IT

UX/UI Designer | Accesibilidad & Design System

Rediseño de plataforma EdTech con deuda tecnica acumulada y sin sistema de diseno subyacente.

- > **47 componentes auditados: plataforma 100% conforme WCAG 2.1 AA implementada en produccion.**
- > Design System unificado desde cero: arquitectura de componentes escalable que reduce el tiempo de diseno en futuras iteraciones.
- > 0 elementos solo-raton: navegacion 100% accesible por teclado implementada en produccion.

We Are Actions (Actions) | Agencia Digital

2020 - 2024

Proyectos B2B y Pyme | Hosteleria, Automoviles, Servicios

Product Designer | UX/UI & Frontend

Evolucion de disenadora grafica a Product Designer con ownership progresivo en proyectos digitales.

- > Diseno de interfaces para herramientas CRM e internas, con colaboracion directa en ciclos de desarrollo frontend (HTML5, CSS3, JS).
- > Proyectos digitales para empresas medianas y grandes: conceptualizacion y evolucion de herramientas y productos internos.
- > Mas de 10 identidades digitales end-to-end con resultados de negocio tangibles para clientes pyme.
- > Transicion progresiva hacia UX estrategico: de outputs visuales a soluciones orientadas a conversion.

AIMPLAS - Instituto Tecnologico del Plastico

2019

I+D | Comunicacion institucional

Disenadora Grafica | Practicas

- > Diseno de identidades visuales para proyectos de I+D y comunicacion institucional.

PROFESSIONAL PROFILE

Product Designer with 4+ years of experience designing and optimising digital products with measurable business impact. Currently at ILUNION Hotels (32 hotels) as the sole end-to-end designer of the direct booking channel: I increased funnel conversion from **3.36% to 6.5%** (Q1 2026) and contributed to the direct channel reaching **13% of total company sales**. I work from behavioural data diagnosis (Adobe Analytics, Clarity) through to argued proposals presented directly to executive leadership, with no intermediary managers. Background in tourism eCommerce, EdTech and CRM/B2B tools.

PROFESSIONAL EXPERIENCE

ILUNION Hotels | Tourism & eCommerce

Sep 2024 - Present

Direct booking channel | 32 accessible hotels

Product Designer | Direct Channel & CRO

Sole designer with autonomous end-to-end ownership of the company's highest-revenue digital channel.

- > **Booking funnel conversion: from 3.36% to 6.5% (Q1 2026), capturing 50%+ of UNICOS loyalty club conversions.**
- > **Direct channel reached 13% of total company sales (2024-2025), with active contribution to CRO, design and digital channel architecture.**
- > Booking engine redesign: strategic diagnosis identifying misalignment between business architecture and user intent; repositioned engine above-the-fold to convert high-intent traffic.
- > Behavioural analysis with Adobe Analytics and Microsoft Clarity to diagnose friction points and prioritise experiments by booking impact.
- > Proposals defended directly to the executive committee without intermediary managers. Cross-functional collaboration with Marketing, Commercial, BI and Engineering.

CEF - Centro de Estudios Financieros | EdTech

Jul - Sep 2024

B2B academic platform | IT Department

UX/UI Designer | Accessibility & Design System

Platform redesign addressing accumulated technical debt with no underlying design system.

- > **47 components audited: platform 100% WCAG 2.1 AA compliant in production.**
- > Unified Design System built from scratch: scalable component architecture reducing design time for future iterations.
- > 0 mouse-only elements: 100% keyboard-accessible navigation implemented in production.

We Are Actions (Actions) | Digital Agency

2020 - 2024

B2B & SME projects | Hospitality, Automotive, Services

Product Designer | UX/UI & Frontend

Evolved from graphic designer to Product Designer with progressive ownership over digital projects.

- > Designed interfaces for CRM and internal tools, collaborating directly within frontend development cycles (HTML5, CSS3, JS).
- > Digital projects for mid and large-sized companies: conceptualisation and evolution of client-facing and internal tools.
- > 10+ end-to-end digital identities with tangible business results for SME clients.
- > Progressive shift towards strategic UX: from visual outputs to conversion-oriented product solutions.

AIMPLAS - Plastics Technology Institute

2019

R&D; | Institutional communication

Graphic Designer | Internship

- > Visual identity design for R&D; projects and institutional communication for technical and general audiences.
